

THE MULTI-PLATFORM PORTFOLIO OF INTERIORS+SOURCES

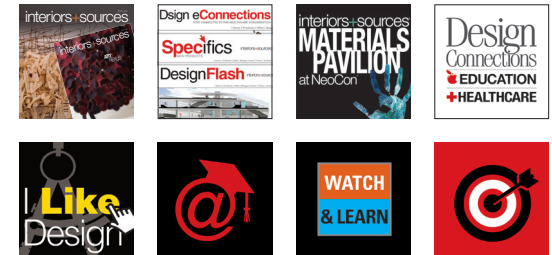

interiors+sources is a multi-platform tool and resource for a unique audience of 34,050* audited interior design professionals, offering them numerous options for accessing information critical to their daily design practice.

We deliver an array of media products, and each serves a purpose. In addition to the magazine, the website and newsletters, we also create content for companies like yours, conduct extensive research and we connect people face-to-face with our live events.

And if our product portfolio doesn't match your need, we have a number of custom options that can be tailored to your requirements.

**FOCUSED
EXCLUSIVELY ON
COMMERCIAL
INTERIOR DESIGN!**

Advertising isn't effective unless you are reaching the right audience and that's exactly what interiors+sources delivers—34,050* design professionals doing commercial work!

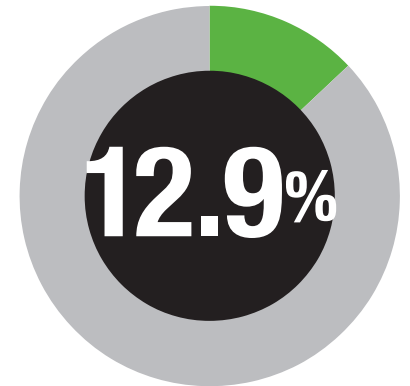

Our readers know that interiors+sources focuses exclusively on the news and products used in commercial projects that matter to the interior design market—so you know exactly where their head is when they engage with our portfolio of product offerings.

And we place a heavy focus on the products that companies like yours supply the design community, which means much more of an opportunity for us to help showcase your products.

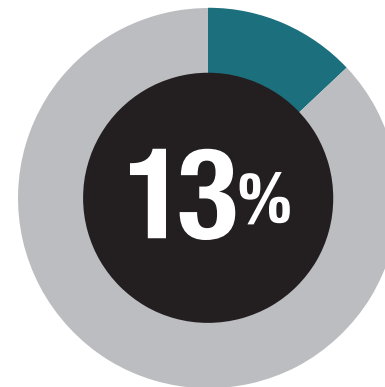

**ALL COMMERCIAL.
ALL INTERIOR.
