DECEMBER

THE FUTURE ISSUE

In design, it's important to have an idea of what the future holds. With interiors remaining for five-plus years, designing a space that has the ability to last means knowing what's up next, going beyond just the passing trends. In i+s' December issue, we focus on what the industry can expect long term, and the new products that help achieve this goal.

PROJECT FOCUS (*Product in Placement and How I Sourced It*): Integrating the latest technologies and trends, illustrating what can be expected in the upcoming year
PRODUCT WELL (*Breakdown, Q+A, 360, Evolution, Inspiration, Steals + Splurges*): State-of-the-art offerings
