Celebrating 35 years in 2019, interiors+sources magazine is the premiere resource for the commercial interior design market.

Dedicated to providing the story behind the aesthetic, our 35,000+ readers of both digital and print know interiors+sources is the go-to to learn the latest in long-term design trends, industry certification, sustainability, material science, and where design is headed. Readers know that when they turn to i+s, they are getting insight into the latest they need to know to get their job done.

In 2018, we began introducing a variety of assets that provide more information on the stories readers see in print, including the I Hear Design podcast, which lets readers into the longer conversations we’re having on design, videos that give a behind-the-scenes look at the stories we’re developing, and our beloved CURIOS sample box that is delivered directly to the door of the top designers. Our 2019 goals include expanding as thought leaders by increasing our speaking opportunity at industry events and tradeshows.

On the Pages of interiors+sources

With i+s, you can expect fascinating content and journalistic integrity from a team who is curious and passionate about what is happening in the industry, including:

- Concise updates from the latest research in the field, helping the A+D community keep on top of what they need to know
- A forum for association members to hear the latest from ASID, IIDA, and IDEC.
- Long-term trend analysis looking beyond what’s hot right now toward what you can expect in 5 to 10 years’ time.
- The best products rolling out the doors each month so you always know what’s new.
- Clear information on the latest in material science.
- Opinions from the best voices in the industry.
- Updates on the newest designers making waves.
