

Expanding on our twice-yearly Design Connections event, the Dinner+Discourse events will provide opportunities to be a part of compelling and thought-provoking dialogue.

A tremendous opportunity to position your brand as a thought-leader.

Each event will host 20 designers for an evening of dialogue and networking. The evening kicks off with cocktails and opening remarks/panel led by the i+s content team. Then a progressive dinner will keep you mingling with new people all evening. Be a part of the conversation by joining us as we tour the country.
